# Thinking About Psychology

## Synopsis

Written by a distinguished team of high school teachers, this new edition is thoroughly revised to reflect the APA's recently updated National Standards for High School Psychology. Your students will benefit from the authors' many years of working with high school students. And this new edition is sure to appeal to your students through a bold and contemporary design. The authors' distinctive story-telling abilities will engage your students by speaking directly to the impact of psychology on their lives.

## Customer Reviews

What my daughter needed for school. Perfect

Good deal

Perfect just what was needed, Great book at an even better price the school bookstore had the book prices at almost double of what I paid for it here on

As listed.
