The Broadview Anthology Of Victorian Poetry And Poetic Theory: Concise Edition

Synopsis

The Broadview Anthology of Victorian Poetry and Poetic Theory, Concise Edition is less than half the length of the full anthology, but preserves the main principles of the larger work. A number of longer poems (such as Tennyson's *In Memoriam*) are included in their entirety; there are generous selections from the work of all major poets, and a representative selection of other work; the work of Victorian women poets features very prominently; and a substantial selection of poetic theory is included to round out the volume.
