Essentials of

PATIENT EDUCATION

Susan B. Bastable

DOWNLOAD EBOOK
Synopsis

Accompanied by an online instructor's resource manual with downloadable PowerPoint slides and accompanying notes! Essentials of Patient Education, based on Susan B. Bastable's best-selling Nurse as Educator: Principles of Teaching and Learning for Nursing Practice, Second Edition, prepares nurses for their ever-increasing roles in patient teaching, health education, and health promotion. This application-based text addresses the needs and characteristics of the learner and discusses appropriate instructional approaches, as well as providing nurses and nursing students with a thorough comprehension of and the skills necessary in the teaching and learning process.

Customer Reviews

This textbook is a must have for those nurses in the role of patient educator. A well written, concise, and complete handbook.

used this text for class last semester, the material is a little dry but it has lots of great use as a reference

Good book, needed it for my class. Arrived quickly and it good condition.

awesome study material
