Customer Reviews

The book written By Dr. Elaine Marshall is beneficial for any leader. The author has an excellent grasp of the subject and describes the components of transformation leadership concisely. The
book is both interesting and easily understood. The author has provided a useful text for any nurse leader, and being a Doctor of Nurse Practice (DNP) student, I found the book valuable to both my education and my career as a nurse practitioner.

Bought this book for a DNP course and it was a good resource for this course as well as a good reference book. Have used it many times. It arrived in good condition.

Great book for the healthcare leaders of 2014 & future DNP’s! Valuable knowledge shared by this great author. A Must Have!

Brings out some great information that is on the edge of nursing leadership for our changing health care environment.

I love this book, great for explain leadership.
