Dirty Japanese: Everyday Slang From "What's Up?" To "F*%# Off!" (Dirty Everyday Slang)
GET D!RTY

Next time you’re traveling or just chattin’ in Japanese with your friends, drop the textbook formality and bust out with expressions they never teach you in school, including:

- Cool slang
- Funny insults
- Explicit sex terms
- Raw swear words

Dirty Japanese teaches the casual expressions heard every day on the streets of Japan:

- What’s up? Ossu?
- How’s it hanging? Choshi doyo?
- I’m smashed. Beron beron ni nattekita.
- I love ginormous tits. Kyo’nyu daiskui.
- Wanna try a threesome? Yatte miyo ka sanpi?
- I gotta take a leak. Shonben shite.
- He’s such an asshole. Aitsu wa kanji warui kara.

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars — See all reviews (87 customer reviews)

Best Sellers Rank: #113,961 in Books (See Top 100 in Books) #17 in Books > Reference > Dictionaries & Thesauruses > Slang & Idioms #213 in Books > Reference > Words, Language & Grammar > Vocabulary, Slang & Word Lists #253 in Books > Reference > Foreign Language Study & Reference > Instruction

**Customer Reviews**

I have a fairly large collection of Japanese language textbooks (many of which I’ve bought at over the years). Much to my surprise, I’ve found that I consistently use all of them and none of them collect much dust. However, with this particular title, I’ve finally found a real dud among my Japanese language learning texts. The biggest problem is the lack of an index (which pretty much means that, while some people may find the book funny to thumb through, they won’t find it useful as a reference book). The second big problem is that the author injects far too much of himself into the book. He very loudly and aggressively wants us all to know that he is the hippest person to ever walk the streets of Japan. That, combined with his endless, jarring hip hop/street slang is very distracting and annoying (it was annoying enough almost two decades ago when the middle-class
Vanilla Ice tried to convince us he came from the 'hood; it's even more annoying now). I would also fault the author's grasp of the Japanese language. His "English" translations of a lot of phrases include many expletives that simply aren't there in the original Japanese text. Last, but not least, is that the author doesn't seem very well informed about Japan. He informs us that Japanese cops don't carry guns (not true) and that they're the biggest jerks in the world. The fact is, if the Tokyo police were indeed "jerks" to the author, he richly deserved it (as he gleefully spends much of the book talking about all the fights and reckless trouble that he got into while in Japan). For the record, I've visited Japan and found it to the safest, most peaceful nation I've ever seen.
