Feminist Inquiry: From Political Conviction To Methodological Innovation

Synopsis

Over the past three decades, feminist scholars have rocked the foundation of academia by challenging long-established beliefs, contesting dominant research paradigms, and identifying new strategies of analysis. How are we to understand these feminist interventions? Do they capture a truth about race and gender that mainstream scholarship has missed? Do they provide important insights into the politics of knowledge? How do feminist uses of traditional research methods differ from their deployment by nonfeminist scholars? What is distinctive and innovative about feminist research? *Feminist Inquiry* provides scholars and students with a comprehensive guide to methodological issues within feminist scholarship. Mary Hawkesworth presents lucid introductions to key philosophical debates about the nature of knowledge, an original account of feminist scholarship's contributions to these debates, and a sophisticated assessment of the analytical tools that feminist scholars have created to improve understandings of the world. Drawing upon contentious debates concerning the incidence of rape, public support for reproductive rights, affirmative action, and welfare reform, Hawkesworth demonstrates how seemingly abstract questions about the nature of knowledge have palpable effects on the lives of contemporary women and men. *Feminist Inquiry* makes epistemological debates—previously the exclusive preserve of philosophers—accessible to a wider audience, and demonstrates the practical and academic importance of these issues.

Book Information

Paperback: 204 pages

Publisher: Rutgers University Press (January 24, 2006)

Language: English

ISBN-10: 0813537053

ISBN-13: 978-0813537054

Product Dimensions: 6.1 x 0.6 x 9.2 inches

Shipping Weight: 15.2 ounces (View shipping rates and policies)

Average Customer Review: 2.0 out of 5 stars — See all reviews (1 customer review)

Best Sellers Rank: #1,325,768 in Books (See Top 100 in Books) #210 in Books > Politics & Social Sciences > Philosophy > Methodology #1237 in Books > Politics & Social Sciences > Social Sciences > Methodology #2445 in Books > Politics & Social Sciences > Women's Studies > Feminist Theory

Customer Reviews

Feminist inquiry for the most part seems like a bunch of women performing academic bickering.
Activism is most effective versus writing complicated books!
